I found my thrill~            on- Blueberry Hill~  
/ C                            / G    / G                            / C  
          on- Blueberry Hill~            where I- found you~  
/ C                            / F    / F                            / C  
the moon stood still~            on- Blueberry Hill~  
/ C                            / G    / G                            / C F / C<sub>STOP</sub>  
it- lingered until~            my- dreams came true

**CHORUS**

                  G                            / C  
The wind in the willow played  
/ G    / C  
          love's sweet melo-dy  
/ C            B7                            / Em                            B7  
          but all of those vows            you made  
/ Em                            B7            / E            / G7<sub>STOP</sub>  
          were never to be~  
  
no chord            / F    / F                            / C  
Though we're apart~            you're part of me still~  
/ C                            / G7  
          for you were my thrill~  
/ G7                            / C F / C<sub>STOP</sub>
