

# HOUSE AT POOH CORNER-Kenny Loggins

4/4 1...2...1234

Intro: |    | (X3) followed by |   |

Christopher Robin and I walked a-long, under branches, lit up by the moon

Posing our questions to owl and E-yore, as our days disap-peared all too soon

But I wandered much further to-day than I should

And I can't seem to find my way back to the wood

So help me if you can I've got to get back to the house at Pooh Corner by one

You'd be sur-prised there's so much to be done

   

Count all the bees in the hive, chase all the clouds from the sky

   

Back to the days of Christopher Robin and Pooh

**p.2. House At Pooh Corner**

**Winnie the Pooh doesn't know what to do, got a honey jar stuck on his nose**

**He came to me asking help and ad-vice, and from here no one knows where he goes**

**So I sent him to ask of the owl if he's there, how to loosen a jar from the nose of a bear**

**So help me if you can I've got to get back to the house at Pooh Corner by one**

**You'd be sur-prised there's so much to be done**

**Count all the bees in the hive, chase all the clouds from the sky**

**Back to the days of Christopher Robin, back to the ways of Christopher Robin**

**Back to the ways of Pooh**

**Whistle.....**
