

SING D

# MOONDANCE

4/4 1...2...123 (without intro)

**Intro:**

**Well, it's a marvelous night for a moon-dance with the stars up a-bove in your eyes**

**A fan-tabulous night to make romance 'neath the cover of October skies**

**And all the leaves on the trees are falling to the sound of the breezes that blow**

**Yeah, and I'm trying to please to the calling of your heart-strings that play soft and low**

**You know the night's magic seems to whisper and hush**

**And all the soft moonlight seems to shine in your blush**

**Can I just have one more moon-dance with you, my love**

**Can I just make some more ro-mance with you, my love**

p.2 Moondance

Well I wanna make love to you tonight, I can't wait till the morning has come

Yeah, and I know now the time is just right, and straight into my arms you will run

And when you come my heart will be waiting to make sure you're never a-lone

There and then all my dreams will come true, dear, there and then I will make you my own

And every time I touch you, you just tremble in-side

And I know how much you want me that you can't hide

Can I just have one more moon-dance with you, my love

Can I just make some more ro-mance with you, my love

Can I just have one more moon-dance with you, my love
