D           Dmaj7              D7                        G                  Gm
  I walk along    the city streets    you used to   walk along    with me,
D           Dmaj7              D7                       G
  and every step I take   recalls     how much   in love   we used to be.
           G        D      A7sus4               D
Oh how can I    forget you           when there is  always  something
 G                      D D6 D                   G              D D6 D
there to remind me          always something there to remind me.
        F#m7      Bm     Bm7      Gmaj7      Astop                      / D        / / /
I was born   to love you     & I will ne--ver be free   you'll always be a part of me.
D           Dmaj7              D7                       G                  Gm
- -When shadows fall,   I pass a small café   where we   would dance  at night
D           Dmaj7              D7               G
  and I can't help   recalling how it felt to     kiss  and hold  you tight.
          G        D      A7sus4               D
Oh how can I    forget you~          when there is  always  something
 G                      D D6 D                   G              D D6 D
there to remind me          always something there to remind me.        I was
F#m7      Bm     Bm7      Gmaj7      Astop                      / D      /      / / /
born   to love you   & I will ne--ver be free   you'll always be a part of me wo o o O

F           Fmaj7                    F7              Bb                  Gm
  If you should find   you miss the sweet & tender    love we used to share
F           Fmaj7                F7             Bb
  just go back to    the places where  we used to go,      and I'll be there---Oh
        Bb        F         C7
how can I----   forget  you--      when there is
F               Gm            F F6F              Gm               F F6F
always something there to remind me,    always something there to remind me
        Am7       Dm    Dm7      Bbmaj7      Cstop              C7stop
I was born-- to love you-- & I will ne--ver be free... when there is.   when there is
C6stop                    F  fade (3x)      Gm                F F6 F
