ERISH - the Association, original F
                                          / Bb
                                                                           /Eb <sub>2 3 4</sub> /F <sub>2 3</sub>
Cherish is the word I use to describe~
                                                                                          /Eb <sub>2 3 4</sub> / F <sub>2 3 4</sub>
You don't know
                                                  / Bb
feeling that I have hiding here for you inside~
                                                                             / Bb
                                                                                                  Gm
how many times I've wished that I had told you
                                                                                                             You don't know
                                                                                 / Bb
                                                                                                     Gm
how many times I've wished that I could hold you.
                                                                                                               You don't know
how many times I've wished that I could
                             Gm1-strum
                                                                                                                      /Bb
/ Dm1-strum
mold you into someone who could cherish me as much as I, cherish you
                                                                                    / Eb <sub>2 3 4</sub> / F <sub>2 3</sub>
                                               / Bb
Perish is the word that more than applies
                                                                             /Eb<sub>234</sub>/F<sub>23</sub>
                                                    /Bb
                                                                                                                         /Am
                                                                                                      That I am not gonna be
hope in my heart each time I realize
                                            / Bb
                                                         Gm
                                                                                    /Am
the one to share your dreams~ That I am not gonna be the one to
                      / Bb
                                         Gm
                                                                    /Am
share your schemes,
                                                that I am not gonna be the one to share what
                                                                       /Bb
                                                                                                               /Bb
/Bb1-strum
                                Gm1-strum
seems to be the life that you could cherish as much as I do yours--
                                                                             / C
                             /Gm
           Oh I'm beginning to think
                                                                    that man has never found
                                                                                     /E7<sub>or(E) 2</sub>
                                                                                                                     that have the
           the words that could make you want me,
                                                             /Dm<sub>1-strum</sub> F<sub>1-strum</sub> just - the - right - sound
           right amount of letters.
                                                                / Am1-strum Bb
                                /Dm1-strum Bb
          that could make you hear, make you see
                                   / F
                                                                                 / C
                                                           Dm
          that you are drivin' me out of my mind--
                                                                                                      /C
           Oh, l could say I need you, _
                                                                        but then you'd realize
          that I want you just like a thousand other guys
                                         / Bb
           who'd say they loved you,
                                                                    with all the rest of their lies
                                                                        Bb
          when all they wanted was to touch your face, your hands
                                                           / / D7 /
