

# Do You Believe in Magic?

**Intro:** Dm . Em . | F . Em . | Dm . Em . | F

(sing)

Do you be-lieve in ma-gic— in a young girl's— heart?

How the music can free her— when-ever it starts—

And it's ma-gic— if the music is groovy—

It makes you feel happy like an old-time— movie—

I'll tell you 'bout the magic it'll free your— soul

But it's like trying to tell a stranger 'bout rock and ro—oll

If you be-lieve in ma-gic— don't bother to choose—

If it's jug band music or rhythm and blues

Just go and lis—ten— and it'll start with a smile—

It won't wipe off your face no matter how hard you try—

Your feet start tappin' and you can't seem to find

How you got there— so just blow your mind—

**instrumental:** F . . . | Dm . Em . | F . Em . | C . . . | G . . .

If you be-lieve in— ma-gic— come a—long with me—

We'll dance un-til mornin' 'til there's iust you and me

And may-be— if the music is right—

I'll meet you to—morrow sort of late at night—

And we'll go dancin' baby, then you'll see—

How the magic's in the music and the music's in me—e—

**Outro:**

Yeah— Do you be-lieve in ma-gic—? Yeah—

Be-lieve in the magic of a young girl's— soul—

Be-lieve in the magic of rock and roll—

Be-lieve in the magic that can set you free—

Ohhhhhhhhhhhhhhhhhhhh talk a-bout ma-gic—
