Intro: / C / C / C / C /

If the rain comes They run and hide their heads

They might as well be dead If the rain comes If the r a i n comes

When the sun shines They slip into the shade

*(when the sun shines down)*

And sip their lemonade When the sun shines When the s u n shines  
*(when the sun shines down)*

R a i n, I don't mind S h i n e, the weather's fine

I can show you That when it starts to rain

*(when the rain comes down)*

Everything's the same I can show you I can s h o w you

*(when the rain comes down)*

R a i n, I don't mind S h i n e, the weather's fine

Can you hear me? That when it rains and shines

*(when it rains and shines)*

It's just a state of mind Can you hear me? Can you h e a r me?

*(when it rains and shines)*
