

INTRO:

THE RAINBOW CONNECTION

G Em Am D7 G Em C D7sus

Why are there so many songs about rainbows, and what's on the other side?
 Who said that every wish would be heard and answered when wished on the morning star?
 Have you been half asleep and have you heard voices? I've heard them calling my name

G Em Am D7 G Em C

Rainbows are visions but only il-lusions and rainbows have nothing to hide.
 Somebody thought of that, and someone be-lieved it; Look what it's done so far.
 Is this the sweet sound that calls the young sailors? The voice might be one and the same.

So we've been told, and some choose to be-lieve it
 What's so a-mazing that keeps us star-gazing, and
 I've heard it too many times to ig-nore it; it's

Bm7 Bm11 Bm7 Bm11 Bm7 Bbm7

I know they're wrong; wait and see.
